POINT SYSTEM RULES

1. Owners, lessees, and equitation riders must be current members of the O.P.H.A. at the time the points are won for the points to count toward year-end awards.
2. Points remain with the horse when bought or sold, providing that new owner is a member of the O.P.H.A.
3. Each year's point system begins on December 1st and is in effect through October 31 of the following year. The dates of the final horse show that counts for points will be announced in the calendar.
4. Fifteen dollars must be sent for each horse with a nomination form before points will be counted toward yearly awards. This will be used to defray the cost of awards and expenses.
5. Nominating and membership forms are available for printing on the website (www.opha.org) or by sending a stamped, self-addressed envelope to the **Membership** Secretary. Forms might be available at horse shows, but forms are NOT to be turned in to the show secretary, unless a special arrangement has been made with O.P.H.A. and members informed in advance. Memberships and horse nominations can also be done online at www.opha.org/Join. Membership/nomination begins on the postmark date or when the credit card transaction is complete.
6. Points will be counted as follows:

1st place:	10 points	4th place:	2 points
2nd place:	6 points	5th place:	1 point
3rd place:	4 points	6th place:	1/2 point

7. Points will be determined according to the number of entries in the first class over fences in each section. Sections with 3 to 11 entries will receive single points; 12 to 17 entries shall receive double points; and 18 or more entries shall receive triple points. This system shall apply to all O.P.H.A. approved shows regardless of USEF rating or location.

In compliance with USEF ruling on headgear, all persons riding at OPHA shows may not ride anywhere on the show grounds without ASTM/SEI-approved protective headgear (including harness secured and properly fitted). Riders will be prohibited from further riding until headgear is properly in place.

CLASSES & DESCRIPTIONS

In order to qualify for points for the annual O.P.H.A. Championship and/or High Score Awards, the **minimum height** for fences must be observed in each division. All O.P.H.A. divisions and classes will be run in accordance with O.P.H.A. rules. A nominated horse or pony must compete in its respective division at a minimum of two horse shows per year for points to count toward year-end awards.

Regardless of the number of entries in the first class over fences, the OPHA will sanction any subsequent class in a division to count for year-end awards only if a minimum of two entries have competed. In classes over fences, "competed" means that the first fence has been judged with a score recorded on the judge's card. In flat classes, "competed" means that the entries have been judged (are shown as having been in the ring on the judge's card, regardless of whether they receive an award).

Exceptions: (1) If there are enough exhibitors to split a division in the first performance class and fewer than two exhibitors in subsequent classes OPHA points will count. (2) NARHA and Fox Smith Medals as described below. (3) There is no minimum for Hunter Breeding classes.

When a division is required to be held over two days (only at USEF AA & A [Premier and National] shows) and entry requires payment with a division fee (High Performance, Green, Amateur Owner, Junior, Pony, and Green Pony), if there are fewer than two (2) exhibitors on the second day, OPHA points will count.

Please also refer to the current USEF and USHJA Zone 5 Rule Books for any further clarifications.

VERY GREEN HUNTER: Open to horses and ponies in their first year of showing over fences at 2'6". Fences 2'6". Horses and ponies may not cross enter into any class with fences higher than 3' at the same show and may only receive points in this section for one year.

Horses may only compete in one height section at a show, but may alternate from one show to another. Once a horse has shown 3'6" he is not eligible to compete in the Green Hunter 3' section. A horse is still eligible for the 3'3" section until it competes at 3'6" for the fifth time, then it becomes a 3'6" Green Hunter. Horses nominated for OPHA awards may only receive points in this division for two years. See USEF & USHJA Rule Books for additional specifications.

SCHOOLING SHOWS - CLASS DESCRIPTIONS & RULES

The OPHA will sanction a limited number of schooling shows during the year which will offer at least three of the following divisions: **Walk/ Trot X-Rails, Walk/Trot/Canter X-Rails, Limit Rider, Novice Rider.**

Points needed to receive year-end awards are: Gold = 50, Silver = 30, Bronze = 17.

These classes are geared toward riders in a lesson program who are just starting to go to horse shows, or moving up in level of difficulty. Safe, simple courses are recommended. Emphasis will be placed on suitability of mount to rider's ability level. Safety will be the foremost concern in these classes. Demonstrating control of mount is extremely important. Excessive speed will be penalized and may cause elimination from the show ring.

Horses and riders in the Schooling Divisions must follow current USEF tack and equipment rules, except standing martingales will be permitted in all divisions.

WALK/TROT X-RAILS: Open to all ages. There must be a minimum of four (4) fences. Ground lines are required. Flower boxes and brush boxes are optional.

WALK/TROT/CANTER X-RAILS: Open to all ages. There must be a minimum of four (4) fences. Ground lines are required. Flower boxes and brush boxes are optional.

LIMIT RIDER: Fences 1'6" to 2'. Oxers not permitted.

NOVICE RIDER: Fences 2' to 2'3". Oxers optional.

The following will receive points toward year-end awards as outlined in Point System Rules, No. 6 and 7:

Schooling Rider Medal

Open to riders of all ages participating in Limit or Novice Rider. Ponies ridden by an adult may not compete in Pony Hunter, Children's Pony Hunter, Green Pony Hunter, or the Gascoigne Pony Medal. Fences offered at 2' and 2'3". (oxers not permitted). Minimum 7 jumps. Roll back, broken or bending lines are permitted. One test (USEF 1 – 8) is required and should be included in the course (except #5). Distances to be set as per all other 2' and 2'3" divisions. Shows may offer two Schooling Rider Medals, one at each height range, but riders may not enter both classes.

RULES

1. In order to receive points for High Score Honors riders must be current members and must be nominated. Horses need not be nominated.
2. Riders nominated for other OPHA rated divisions are not eligible for Schooling Show High Score Honors.
3. Points will not carry from one division to the next. The rider will, however, be eligible for year-end awards in **two** chronological divisions at the same time.
4. A riders age will be determined according to USEF rules – age as of December 1st of the current competition year.
5. The OPHA will recognize a limited number of Schooling Shows per year. Other OPHA shows may offer any or all of the Schooling Show Divisions, but points will not count toward year-end awards.
6. Horse shows applying for OPHA Schooling Show recognition must offer at least 3 of the 4 listed divisions.
7. There will be two over fences, one under saddle, and one flat equitation class in each division. It is recommended that all four classes count equally toward the Championship.
8. In all Schooling Divisions, at least 2 entries per class must compete for points to count. In classes over fences, “competed” means that the first fence has been judged with a score recorded on the judge’s card. In flat classes, “competed” means that three entries (two for cross rail divisions) have been judged (are shown as having been in the ring on the judge’s card, regardless of whether they receive an award).
9. Points will follow the **rider** in all divisions. If a rider shows more than one mount in a Schooling Show section, only the highest scoring mount’s points will count for that rider at that show.

JUDGING

1. Standing martingales **will** be permitted in all classes.
2. Only six to canter at one time in Walk/Trot/Canter divisions.
3. Riders in Walk/Trot X-Rails may trot in and canter out of lines, but should exhibit control and return to the trot before the next line.
4. In the Walk/Trot/Canter, Limit and Novice sections, trotting to obtain a simple change of lead is permitted and is not to be penalized.

O.P.H.A. HORSE SHOW REQUIREMENTS

ATTENTION HORSE SHOW MANAGERS: The following specifications must be met in order to be an OPHA approved show and to have points count toward the year-end high score awards.

1. All horse show dates must be applied for in writing on the appropriate form, available online at

OPHA.org, and submitted with payment of \$50 per show to OPHA, P. O. Box 23421, Chagrin Falls, OH 44023. Address labels for mailings to members available on request.

2. Any horse shows wishing OPHA approval must apply in writing on the appropriate form.
3. A check for \$50.00 made payable to the OPHA must be sent to the OPHA Championship Point Secretary **at least 30 days prior** to the date of the show.
4. Prize list and show results, including number of entries in OPHA rated classes, must be sent to the OPHA Championship Point Secretary, **within 10 days** of the close of the show. Failure to send results will incur a \$100.00 fine. Failure to return results within three months will prevent next year's protected date approval.
5. Only one OPHA rated show will be allowed within 75 miles on the same day **unless** the party holding the protected show date agrees to waive the restriction.
6. It is recommended that all OPHA shows have a USEF Recorded or Registered judge. Shows that are not USEF sanctioned may select from our OPHA Approved Judges list, consisting of professional horsemen. Request for permission to use a judge that is not listed on the "approved judges" list must be made at least 90 days in advance. Only a professional horseman may be requested. This list is located on our website ([www. opha.org](http://www.opha.org)) under docs & forms.
7. Loss of points for failure to meet the above requirements is the responsibility of horse show management.
8. Any extraordinary circumstances on date approvals or changes will be handled by the Horse Show Committee.
9. **Nonpayment of Entries and/or Horse Show Fees.** OPHA point shows that accept entries without the payment of the required fees do so at their own risk. However, if a person makes payment for fees that is not negotiable, the horse show/horse show manager may report the name and address of the person in writing or email to the OPHA within 30 days of notification of denied payment, providing the names of the horses and the names and owners/riders for which the non-negotiable funds were to cover. The OPHA will not be involved in collection of funds owed to the horse show; however, horses/riders will not receive OPHA points until the OPHA receives confirmation from the horse show/horse show manager that payment has been received. Payment must be received within 10 days from the time of notification of denied payment, unless some other arrangement with the show management has been made. Once the show manager has notified OPHA that payment has cleared, points will be restored. Disagreement about whether an account has been paid will be referred to the Horse Show Committee.
